BROOKS ANNOUNCES MIRROR SHOW MANAGEMENT IS AUGUST BUSINESS OF THE MONTH

Monroe County Executive Maggie Brooks today announced that Mirror Show Management has been named Monroe County's "Business of the Month" for August and will be featured on Monroe County's website, monroecounty.gov.

Brooks recently joined Mirror Show to break ground on their expansion in Webster. Mirror Show currently employs 50 in Monroe County and will create 15 new jobs. Monroe County is a partner in the expansion project, offering an SBA 504 loan and incentives through the County of Monroe Industrial Development Agency (COMIDA).

*"Mirror Show Management is one of the bright spots of our local economy and has fast become a model of excellence in their industry," said **Brooks**. "Monroe County is proud to be a partner in Mirror Show's expansion, which will create more good jobs in our community. I thank President Donna Shultz and her outstanding team of employees whose hard work and commitment helps make Monroe County a great place to live, work and do business."*

*"Here at Mirror Show Management we have an outstanding team of employees who are responsible for our success. We were not able to continue our growth in our current location. Without the help of COMIDA incentives it would not have been possible for us to create this level of expansion that will increase our efficiencies, create better service for our customers and allow us to grow year after year," said **Donna Shultz**, President of Mirror Show Management. "Rochester is a great place to live, work and raise a family and we want to be one of those companies that keep people here! Our thanks go out to County Executive Maggie Brooks and the COMIDA team for making this process so easy."*
